WORK EXPERIENCE

LINE COOK

Nov 2020 - June 2022

Buffalo Wild Wings, Lake Charles

- Prepped and cooked menu items according to standardized recipes and specifications.
- Worked multiple kitchen stations, including grill, fryer, prep, and expo.
- Prepared wings, sauces, sides, appetizers, sandwiches, and other menu items in a high-volume environment.
- Read and prioritized incoming orders to ensure food was prepared accurately and within required ticket times.
- Maintained consistent food quality, presentation, portion sizes, and proper cooking temperatures.
- Followed proper food handling, sanitation, and cross-contamination prevention procedures.
- Stocked and organized food, ingredients, and supplies throughout shifts.
- Rotated products and followed proper labeling and storage procedures to maintain freshness.
- Maintained clean, organized, and sanitary workstations using the clean-as-you-go method.
- Assisted with opening, closing, deep-cleaning, and routine kitchen maintenance.
- Communicated effectively with kitchen staff, servers, and management to keep orders moving efficiently.
- Assisted teammates during high-volume periods and helped maintain smooth kitchen operations.
- Ensured completed orders were properly plated, packaged, and sent out accurately.

MERCHANDISE OP SPECIALIST

Petco, Lake Charles, LA June 2022 - April 2024

- Received, unloaded, verified, and processed incoming merchandise shipments.
- Stocked and replenished merchandise throughout the sales floor and maintained organized backroom inventory.
- Conducted regular inventory counts and investigated discrepancies to maintain inventory accuracy.
- Executed weekly price changes, promotional signage, and monthly advertisement sets.
- Set and maintained planograms, product displays, and merchandising layouts according to company standards.
- Monitored product availability and identified out-of-stock, overstock, and inventory discrepancies.
- Assisted with inventory management reports and other operational documentation.
- Maintained accurate product pricing, labeling, signage, and shelf presentation.
- Processed damaged, defective, recalled, or discontinued merchandise according to company procedures.
- Supported management with special merchandising projects, seasonal setups, and store resets.
- Worked collaboratively with management and other associates to maintain store standards and meet operational goals.

LINE COOK

April 2024 - October 2025

Luna Bar and Grill South, Lake Charles LA

- Prepared and cooked a variety of menu items in a fast-paced, high-volume restaurant environment.
- Worked multiple kitchen stations to prepare appetizers, entrées, sandwiches, seafood, sides, etc.
- Followed recipes, preparation procedures, and portion standards to ensure consistency and quality.
- Operated commercial grills, fryers, ovens, stovetops, and other kitchen equipment safely and efficiently.
- Managed multiple orders simultaneously while prioritizing ticket times and maintaining accuracy.
- Properly cooked and plated food according to restaurant standards and presentation requirements.
- Maintained proper food temperatures and followed food safety and sanitation procedures.
- Stocked and organized ingredients and supplies to keep kitchen stations prepared for service.
- Maintained clean and organized workstations throughout shifts and assisted with kitchen closing duties.
- Communicated with other cooks, servers, and management to coordinate orders and resolve issues efficiently.
- Assisted teammates during busy periods to maintain an efficient and organized kitchen.
- Helped maintain quality and consistency during busy lunch, dinner, and brunch services.

RECEIVING TEAM LEAD

October 2025 - Present

Ollie's Bargain Outlet, Lake Charles, LA

- Led daily receiving operations and coordinated the efficient flow of freight from the receiving area to the sales floor.
- Received and verified merchandise from distribution centers and direct vendors for accuracy.
- Directed associates assisting with freight processing, stocking, and merchandising.
- Delegated daily tasks and prioritized freight based on store needs, deadlines, and sales-floor capacity.
- Monitored backstock and ensured merchandise was properly organized and accessible.
- Identified and reported shipping discrepancies, damaged merchandise, and pricing errors.
- Processed merchandise transfers, returns, and other outbound shipments according to company procedures.
- Assisted with setting up merchandise displays and maintaining visual merchandising standards.
- Ensured incoming merchandise was accurately processed and moved to the sales floor in a timely manner.
- Maintained a safe receiving environment and ensured proper use and storage of material-handling equipment.
- Assisted with store opening and closing procedures and served as Manager on Duty when assigned.
- Provided customer service and assisted customers and associates with product-related questions.
